

Presented by Vista Apex and
Keating Dental Labs

Grow Yourself Into A More Successful Practice

With Course Speaker: **Dr. Mike Miyasaki**
October 21st, 2022 **8AM-3PM PST**

Is your professional life
providing all the satisfaction
that you expected and more?

Is it challenging, stressful
and falling short of your
expectations?

This course will cover the many challenging facets of dentistry from bonding, direct and indirect restorative considerations, occlusion and aesthetics and leadership. Implementing one concept will help your patients value your services over your colleagues and insurance so you can grow. **Containing a case delivery you have to see to believe!**

Grow Yourself Into A More Successful Practice

About the Course Speaker:

Dr. Mike Miyasaki

Dr. Michael A. Miyasaki is a practicing clinician in Sacramento, CA, USA. He has practiced now for 35 years and has taught for 32 years on a variety of subjects from restorative dentistry, minimally invasive implant dentistry, aesthetic dentistry, occlusion, lasers, endodontics, cosmetic tooth movement, and tips for practice management. He taught at his alma mater the University of Southern California School of Dentistry from 1990-1995 and headed up the post-graduate teaching programs at the Las Vegas Institute from 1995 to 2007. He has also held executive positions with many dental manufacturing companies which has allowed him to work with the R&D teams that create the materials and equipment we use. He is the CDO at Vista Apex Dental Materials, the Chief Education Executive of the Academy of Minimally Invasive Implantology, the Director of Education for the Pacific Aesthetic Continuum, and a lecturer for Myotronics on the use of bioelectric diagnostic equipment to demonstrate the importance of occlusion in TMD, Airway and Aesthetics.
