Key Opinion Leaders – Vista Apex PRODUCT FOCUS

Moisyn™

Thank you all for joining us for a great online KOL event focused on Moisyn™. We truly appreciate your time, feedback, and continued partnership. We hope you are enjoying your summer and staying hydrated!

This month, we are focused on helping spread the word about Moisyn™ by PerioSciences. As we continue to build awareness around dry mouth relief, we would love your support in helping educate patients, providers, and consumers that Moisyn™ is back.

KOL Focus Groups

We are beginning to form our KOL Focus Groups, and we would love to have you be part of them.

If you have not yet filled out the survey, please scan the QR code and complete the form to let us know how you would like to work with VistaApex Solutions moving forward.

Your feedback helps us create more meaningful opportunities for collaboration, including product feedback, education, content creation, clinical insights, and future KOL initiatives.

KOL Social Media Challenge: Tips

We are also focusing on Tips this month! VistaApex Solutions offers a wide range of tips designed to support a variety of dental procedures and workflows. Our Tips on Tips website page showcases the many types of tips we offer, along with the products they can be paired with.

Do you have a favorite VistaApex Solutions tip? Or do you have a helpful "tip on tips" that you use in your own clinical workflow?

We would love for you to share it on social media! Whether it's a quick clinical pearl, a favorite product pairing, or a practical technique, your insight helps bring real-world value to other clinicians.

STAY CONNECTED

Stay connected with our KOL community and access the support, latest updates, sponsorship opportunities, and product resources available to you.

Visit the KOL landing page for helpful information, upcoming news, and tools designed to keep you engaged with VistaApex Solutions, PerioProtect, PerioSciences, and Ribbond.
